

Are you a TennCare Medicaid enrollee that has a Dual Special Needs Plan (D-SNP) for Medicare?

Starting January 1st, 2027, your Medicare D-SNP plan AND TennCare Medicaid plan MUST MATCH!

THERE ARE TWO WAYS TO MAKE THIS CHANGE:

1

CHANGE YOUR MEDICARE D-SNP PLAN TO MATCH YOUR TENNCARE MEDICAID

If you want to keep your current TennCare Medicaid plan provider and change your D-SNP plan, you **must make a change between October 15th through December 7th, 2026.**
